

BC Tech C-Councils | January-March 2020

C-Councils are peer forums for CEO's and other C-Suite executives of BC Tech members. They are designed to build a strong community of executives to drive innovation and performance. Our current C-Councils are AI, CFO, Cleantech, CTO, Digital Health, Diversity & Inclusion, Growth CEO, Gaming, Product and Tech Adoption.

We launch new C-Councils regularly. To join one or propose a new one email hello@wearebctech.com.
