

Work from home, build from home, change the world.

In celebration of those who innovate for good, BC's tech community is eligible for the best deals in market on TELUS Home Services.

Right now, get Gigabit Internet for \$89 a month for 24 months with the TELUS Exclusive Partner Program. Regular pricing of \$155/month. That's a total of \$1,584 in savings.

We've got great deals on Optik TV and SmartHome Security as well.
