

BC Tech Insurance Plan

BFL CANADA is one of the largest employee-owned and operated commercial insurance broker and consulting services firm in Canada. Our 950+ professionals provide insurance, risk management and benefits services for mid to large size organizations across the country.

BFL CANADA is an organization that truly believes in establishing partnerships with its clients. We have been a member and supporter of BC Tech for over 15 years and acted as BC Tech's exclusive insurance broker, as well as providing general insurance programs to its membership network.

While risks vary from one organization to another, our professionalism and discipline do not. We understand that each entity is unique and our professionals are dedicated to delivering the right solution however simple or complex the insurance needs may be.
